To whom it may concern:

I'm writing to confirm that Julie Brewer has been a conversation partner with Kelly Escorvia, who a 33 year-old lady from Colombia, this past spring and summer. They have tried to meet once a week when their schedules permit.

I have been tutoring Kelly since January. She is a beginning ESL student and needs to significantly improve her speaking skills. Moreover, she has very little occasion to speak with native speakers, so when I met Julie, I asked if she wanted to meet with Kelly as a conversation partner. This has been very beneficial for Kelly since Julie also speaks Spanish and understands the particular challenges of Spanish speakers.
